CEO Greetings

DongYang has been manufacturing various kinds of Switchboards and distribution boards including MCC, MSBD, ESBD, GSP and consoles etc. for Marine and Onshore since 1988. And we're expanding our business to offshore area.

We also provide professional resources in design, construction, QA&QC and commissioning.

Our R&D department has constantly performed various tasks such as obtaining patents and quality certificates as well as localization of equipment.

DongYang will rapidly respond to the changes and opportunities in the market to meet customer demands.

Sincerely yours,
C.E.O / In-KI, BAEK
